CONSTITUTION

PREAMBLE

We, the Missionary Baptist Churches of Jesus Christ, composing the Gaston Baptist Association, convinced of the necessity of an association of churches in order to promote fellowship, missions, education, Christian service, the preaching of the gospel, and to cooperate with the Baptist State Convention in its works, do hereby agree and subscribe to the following articles.

Article 1. The name of the body shall be the Gaston Baptist Association of North Carolina.

Article 2. The Association shall be composed of messengers and pastors. The messengers shall be appointed annually by the churches, each church being entitled to three messengers for the first 100 members, or fraction thereof and one for each additional 100 or fraction thereof, provided that no church shall have more than 10 messengers in addition to the pastors.

Article 3. The officers of this Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, and Historian, all of whom shall be elected annually by the Association at its annual meeting and hold office until their successors are elected.

Article 4. It shall be the duty of the Moderator to open the meeting punctually at the appointed time; to enforce the rules; to preserve order; and to exercise all the prerogatives of a presiding officer according to the principles of established parliamentary usage. He shall be elected for one term and cannot succeed himself after the second successive term.

Article 5. It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

Article 6. It shall be the duty of the clerk to keep an accurate record of the proceedings of the Association and the General Board; to superintend the printing and distribution of the minutes subject to the approval of the Moderator and the Chairman of the Finance Committee; and to keep on file the printed minutes and other important documents belonging to the Association. For this service the Clerk shall receive an honorarium annually to be determined by the Association.

Article 7. Associational Finance.

(a) It shall be the duty of the Treasurer to receive all the money contributed to the Association and to pay the bills as specified in the budget of the Association. He shall not pay bills that would overdraw the specific items of the budget except with the approval of the General Board or the Association at its annual meeting.

He shall make a quarterly report to the General Board and an annual report to the Association. For these services the Treasurer shall receive annually an honorarium to be determined by the Association.

(b) The Finance Committee shall be composed of six (6) members including the chairman elected by the Association. Two members shall be elected for 3 years, two members for 2 years, and two members for 1 year. No member shall be eligible for re-election until one year after his expired term. It shall present a proposed budget for consideration of the General Board at its July meeting. The proposed budget shall be mailed to the Pastor and Treasurer of each church on or before August 1. It shall meet quarterly to study the receipts and disbursements of the Association and to make any solicitations necessary. The budget will be submitted to the following annual meeting of the Association for final action.

Article 8. It shall be the duty of the Historian to collect and put in some durable form all facts of interest about each of the churches of the Association and report at each session of this body.

Article 9. The Association shall elect a Board of Trustees composed of three members. Their duty shall be to hold in trust any property, money, endowment, or other securities of said Association.

Article 10. The Association shall have a General Board composed of Pastors, Officers of the Association, Directors of Sunday School, Training Union, Brotherhood, and W. M. U. work, and two members from each church. Each church shall elect its representatives and indicate same in its Annual Church letter. The Moderator, by virtue of his position, shall be Chairman of the Board. The Board shall hold four quarterly meetings and others if necessary, and make a written report to the Association. It shall be the duty of the General Board to look after having the Gospel preached in all parts of the Association, and to promote all of our Associational work, and to attend to all business of the Association between Sessions. The Association may appoint or elect such other Boards or Committees from time to time as circumstances may require.

Article 11. The Association shall elect annually an auditing committee composed

of three members, whose duty shall be to audit the Treasurer's books and records, and report to the Association.

Article 12. The Association shall elect an Associational Council composed of six members. Two members shall be elected each year for a period of three years. No member shall be eligible for re-election until one year after the expiration of his previous term. It shall be the duty of the Council to examine Petitionary Letters and to investigate matters pertaining to churches in disorder in said Association, and render such aid as the churches may request in examining candidates for the ministry, and in organizing new churches, and report annually to the Association. The Associational Council shall have power to designate a sponsoring church to work with and to counsel with each church coming under the watchcare of the Association. Each church coming under the watchcare of the Association shall report to the Council quarterly concerning the development of the work of the church so as to prepare for the reception as a member-church of the Association. The Council in turn shall report to the General Board of the Association at its regular quarterly meetings.

Article 13. The Association shall have a Missions Committee to counsel with the Promotional Director in the planning and promotion of the general program of Southern Baptist work within the churches of the Association. All meetings and activities are to be planned and promoted through the Associational officers, pastors, and churches.

This committee shall have meetings at least once each quarter.

Article 14. The general business of the Association shall be determinted by a Committee on Order of Business named at the previous meeting who will report as soon as feasible after the opening of the first session of the Association. When adopted, their report shall become the order of the Association and cannot be changed except by a vote of the Association.

Article 15. The Association shall meet annually on Tuesday after the third Sunday in October and continue for two days or longer in the judgment of the Committee on Order of Business, subject to the approval of the Association.

Article 16. The Moderator in concurrence with the General Board may fill any vacancy occurring between meetings of the Association and may change the time or place of the meeting of the Association when it may be deemed expedient to do so.

REPORT OF AUDITING COMMITTEE

A report of the Auditing Committee was given by Earl W. Brockman as follows:

The Auditing Committee is glad to report that the books of Mr. Coye Hovis, Treasurer of the Association, have been carefully audited and were found to be in excellent condition. Mr. Hovis is to be commended for the fine job he has done as Treasurer during the past year.

The Vice-Moderator, E.B. Elmore was recognized and presided while the report of the General Board was given by Hubert Huggins. The report was adopted.

REPORT OF THE GENERAL BOARD OF THE GASTON BAPTIST ASSOCIATION FOR THE YEAR 1961

The General Board held four quarterly meetings during the past year. In addition to the regular meetings, two called meetings were held. In this report I shall give only the singular items of business transacted. Minutes of the clerk contain details of all matters considered at these meetings.

At the meeting on January 9, the Moderator, Wilburn T. Hendrix, announced that he had accepted a call to become pastor of North Winston Baptist Church, Winston Salem, N. C. After the regular reports were given and matters of business were attended to, the Moderator relinquished the duties of the office to the Vice Moderator.

At the meeting on April 10, after reports were heard, the Moderator was authorized by the General Board to appoint a House and Grounds Committee for the home of the Promotional Director. At this meeting Eugene Elmore was elected Vice Moderator of the Association.

A called meeting of the General Board was held on Monday evening, May 29, at McAdenville Baptist Church. At this meeting Forest Roberts, Chairman of the Missions Committee, read a letter of resignation from the Promotional Director, Guthrie Colvard. This resignation was accepted. Motion was made and adopted that the Moderator appoint two additional members to the Missions Committee to work with the Committee in selecting a successor to Brother Colvard. Those appointed were M. O. Owens and A. A. Bailey. The House and Grounds Committee authorized by the General Board at its April meeting was named and elected. This Committee is composed of Paul Moss, Chairman, Mrs. Jack Allen and Mrs. Charles McNabb.

At the meeting of July 10, the Committee on Order of Business for the 1961 annual meeting of the Association made its report and it was adopted. In this report the Committee recommended that the Tuesday evening session be discontinued because of poor attendance during the past several years. The Finance Committee presented the Associational budget for the new year and it was received as information.

At a called meeting on Sunday afternoon, September 10, at the First Baptist Church, Cramerton, the Missions Committee recommended that the Association call the Rev. John L. White, Superintendent of Missions in the York Association, Rock Hill, S. C., as Promotional Director of the Gaston Baptist Association. This recommendation was adopted. The call was extended, and we are happy to announce that Brother White accepted the call.

At the meeting of October 9, reports from the departments and committees were read. A resolution from the Oakland Baptist Church, Rock Hill, S.C. expressing the Church's love and devotion for Brother and Mrs. White, was read. The report of the Nominating Committee was read and adopted. The following recommendations were made in the Finance Committee's report: That agency and institutional reports to the Association not bearing historical data be deleted from the minutes in interest of economy. That the note of $2,488.00 due on the house November 1 be paid from accrued money now in the treasury, and that churches that did not contribute to this special effort in April be requested to contribute even yet as far as possible. That all money received for special occasions such as revivals, schools of missions, etc., be automatically placed in the general treasury, unless otherwise stipulated by the General Board. These recommendations were adopted. This last meeting of the General Board before the annual meeting of the Association was marked by a very fine spirit

and by evidence of a realization on the part of every member present that this has been one of our best years in the work of our Lord. The meeting was closed by the singing of the Doxology.

Respectfully submitted,
Hubert Huggins, Moderator

A report of the special "Committee of Nine" was presented by M. O. Owens, Jr. The report was adopted.

REPORT OF SPECIAL COMMITTEE OF NINE
Gaston Baptist Association 1961

The assignment of this Committee is stated in the Associational Minutes as follows: "to study the matter of recommending guiding principles in the establishing of missions, the organizing of missions into churches, and the relationship of the Association to the churches under its watchcare."

The work of this Committee thus falls into three divisions:

1. Principles for the establishment of missions

2. Principles for the organizing of missions into churches

3. Principles underlying the relationship of the Association to the churches under its watchcare.

The Committee, after study and discussion, feels that the following principles are operative in this phase of our co-operative efforts:

1. The Association, as an autonomous body, has responsibility in this area. The Preamble to our Constitution clearly sets forth this responsibility.

2. Each church in the Association is an autonomous body, to which no other body can dictate so far as its internal workings are concerned.

3. The work of the churches in the Association is a voluntary, co-operative effort, and as such needs some stated policies by which to be guided, for without such policies our efforts may become anarchy.

4. The Association, as an autonomous body, has the right and privilege, indeed the responsibility, of determining the requirements for membership, and the standards of action and conduct which member churches shall maintain.

On the basis of these principles, the Committee recommends that the following guiding principles or policies within each division be adopted:

I. PRINCIPLES FOR THE ESTABLISHING OF MISSIONS

1. The Association recognizes and assumes the responsibility for seeking out locations where Baptist work is needed, and where mission stations ought to be established. The Association should use the Associational Promotional Director, and the Missions Committee, as the individuals on whom this task should fall.

2. Whenever the Association, through its Missions Committee, determines that a mission is needed in a given area, a member church, or churches, should be asked to assume leadership in the establishment and operation of such a mission.

3. It is recognized that the churches are also responsible for seeking our locations where there is need. They are not limited, or hindered in any way in seeking out and locating places of need because of Paragraph 1.

4. The churches which contemplate the establishment of a mission, or missions, should inform the Mission Committee of intentions and plans, so there will be no duplication of effort, and no misunderstandings.

5. Churches planning to establish missions should be asked to make a thorough survey of the territory before any mission is begun. They are advised to seek help from the Church Development Department of the Baptist State Convention, and from the Associational Promotional Director. This survey should seek information of the following nature:

(1) The number of people to be served - Baptist population and total population.
(2) The projected and anticipated growth of the area.
(3) The Proximity of existing churches and/or missions, with number of people who seem likely to continue to attend these.
(4) Availability of suitable housing and facilities for a mission.

6. Great care should be exercised in the purchase, or acceptance, of property for a mission:

(1) Property should be centrally located and should lie well:
(2) Land area should be adequate for immediate and future growth, providing ample area for buildings, recreation, parking, etc.
(3) Property should have a clear title, with no restrictions as to use, nor any entailment, such as a reverting clause; deed should be in fee simple.

7. Great care should be exercised in the choice of leadership for the mission. The fostering church should provide adequate leadership for all areas of work, in the beginning. Every effort should be made to ground the people in Baptist doc-

trine, polity, practice, spirit, etc.

8. The mother church should make every effort to establish close and warm relationships with the mission and its members:

(1) Members should be constantly aware, by virture of church actions and attitudes, that they are members of the church;

(2) The sponsoring church should elect all officers and leaders;

(3) The church should help the mission in its planning and promotion;

(4) The church should handle carefully all funds given by mission members, and see that they know exactly how their monies are being used; printed, or mimeographed monthly financial reports should be provided.

(5) Every possible occasion for bringing the church and the mission together in activities should be used, so as to develop fellowship and unity.

II. PRINCIPLES FOR ORGANIZING MISSIONS INTO CHURCHES

1. The sponsoring church should gradually transfer leadership from "church" members to "mission" members. The church might even elect two or three men toserve as "deacons", choosing them from the mission members, and using them as liaison members.

2. The church should lead the mission to have a full program of organized work - graded Sunday School, Training Union, W. M. S., Brotherhood and Music.

3. The church should seek to develop the members of the mission in the doctrine and grace of stewardship.

4. Care should be taken to assure that the mission can be a self-sustaining church, before organizing into a church.

5. The sponsoring church should see that the mission members are carefully and thoroughly indoctrinated in Baptist doctrines, practices, etc.

6. The church should lead the mission to the adoption of a workable and worthy Budget, in which the Co-operative Program is included.

7. If it is intended that the mission will become a member church in the Gaston Baptist Association, the sponsoring church should see that the mission members understand fully the co-operative efforts of Baptists, that they are missionary in spirit, and that they are loyal to Baptist tenets.

8. The mission should be helped, before being organized into a church, to know the best methods of calling a pastor, of electing deacons and other workers, and of carrying on the internal work of a church. The Associational Promotional Director, and/or the Associational Council should be invited to assist in this area.

9. The sponsoring church and the Associational Council should work closely together in the training and the organization of the new church.

III. PRINCIPLES UNDERGIRDING THE RELATIONSHIP OF THE ASSOCIATION TO CHURCHES UNDER ITS WATCH-CARE

1. It should be recognized by all churches in the Association, and by their members, that whereas the church is an autonomous body, to which no other group can dictate in its internal affairs, the same is also true of the Association; it is an autonomous body, and has the same privileges in accepting members that the church has for its members. The Association has the right and the obligation to set the requirements for membership within the body. The church which desires to unite with the Association does not sacrifice any of its autonomy in uniting with the Association on the terms of membership; it has the privilege of not joining the Association, if it does not like the terms. It should be remembered that it is the church which asks for membership; the Association does not seek the church as a member.

2. Churches desiring to come into the Association should be asked to show at least 10% of their Budget given to Missions, with a sizable portion going through the Co-operative Program; they should show evidence of growth, and possibility of further and continued growth.

3. When a church is admitted to the Association under watch-care, it should be asked to make reports once each quarter to the Associational Council. New churches, which have been missions, will make their reports directly to the Council, and not to sponsoring church. This quarterly report should give detailed information as to organization, finances, evangelism, missions, doctrines, church polity, church spirit, and other pertinent data. The Associational Council should provide watch-care churches a form on which the report can be made.

4. There should be no time limitation on watch-care; the Associational Council should have the privilege of recommending when a church shall be accepted into full-fellowship.

IV. FURTHER RECOMMENDATION CONCERNING LOTS

1. The Association should begin making plans to provide money for the purchase of lots for new missions and churches. This should be done both in the Associational Budget, and by asking able churches to place funds for this purpose in their own budgets.

2. Purchase of such property should be in the hands of the Missions Committee.

3. Title to such property should reside in the Trustees of the Association until such time as a fully self-sustaining church is organized.

4. The Missions Committee should work closely with the General Board of the Baptist State Convention in the purchasing of such property.

5. The Missions Committee should begin looking ahead into areas where large housing developments are beginning or contemplated, in order to secure ample land for future use.

EXPLANATION: During the Associational Year - 1962-63 - any amount up to $1,500.00, which is given by the churches OVER the regular budget of $14,310.00, will be placed in a special fund designated for the purchase of church lots.

ALSO: If any church desires to designate any amount at any time during the year for the purchase of church lots, this amount will be placed in the separate special fund. These designated amounts, which churches may choose to give, will not be counted as a part of the $1,500.00.

NOTICE: The members of the Finance Committee would like to encourage each church in the Gaston Baptist Association to give AT LEAST ONE PER CENT OR MORE of your total church budget to Associational Missions. Please give this challenge your prayerful consideration. Also, it is suggested that your gifts be sent each month to the Associational Treasurer.

If any church desires to give any love gift to help a mission in our Association, which it may not be sponsoring, please send the gift to the Associational Treasurer, informing him that the gift is designated for a certain mission in our Association. PREAMBLE

We, the Missionary Baptist Churches of Jesus Christ, composing the Gaston Baptist Association, convinced of the necessity of an association of churches in order to promote fellowship, missions, education, Christian service, the preaching of the gospel, and to cooperate with the Baptist State Convention in its works, do hereby agree and subscribe to the following articles.

Article 1. The name of the body shall be the Gaston Baptist Association of North Carolina.

Article 2. The Association shall be composed of messengers and pastors. The messengers shall be appointed annually by the churches, each church being entitled to three messengers for the first 100 members, or fraction thereof and one for each additional 100 or fraction thereof, provided that no church shall have more than 10 messengers in addition to the pastors.

Article 3. The officers of this Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, and Historian, all of whom shall be elected annually by the Association at its annual meeting and hold office until their successors are elected.

Article 4. It shall be the duty of the Moderator to open the meeting punctually at the appointed time; to enforce the rules; to preserve order; and to exercise all the prerogatives of a presiding officer according to the principles of established parliamentary usage. He shall be elected for one term and cannot succeed himself after the second successive term.

Article 5. It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

Article 6. It shall be the duty of the clerk to keep an accurate record of the proceedings of the Association and the General Board; to superintend the printing and distribution of the minutes subject to the approval of the Moderator and the Chairman of the Finance Committee; and to keep on file the printed minutes and other important documents belonging to the Association. For this service the Clerk

shall receive an honorarium annually to be determined by the Association.

Article 7. Associational Finance.

(a) It shall be the duty of the Treasurer to receive all the money contributed to the Association and to pay the bills as specified in the budget of the Association. He shall not pay bills that would overdraw the specific items of the budget except with the approval of the General Board or the Association at its annual meeting.

He shall make a quarterly report to the General Board and an annual report to the Association. For these services the Treasurer shall receive annually an honorarium to be determined by the Association.

Jay T. Baker, Treas.
Dallas, N. C.

W. C. Lamb made a motion that $1,500 be taken from the regular treasury and be placed in the "Lot Fund." The motion passed.

The Moderator appointed a committee on Time-Place and Preacher for 1964. Charles High, chairman, Douglas Aldrich and N. W. Martin. Here is their report that was given at a later session:

TIME, PLACE AND PREACHER

Your Committee on Time, Place and Preacher recommends that we meet again next year on Tuesday and Wednesday after the third Sunday in October. We also recommend that the first day be with the Flint Groves Baptist Church of Gastonia and the second day with the First Baptist Church of Lowell. We also recommend that

Hayne Rivers, pastor of First Baptist Church, Cramerton, bring the annual message with C. L. Capps, pastor of High Shoals as alternate.

Respectfully submitted,
N. W. Martin
Douglas Aldrich
Charles High, chairman

Elvin Jones made the following motion concerning the Constitution: "I move that our Moderator appoint a committee of three to recommend any immediate changes that should be made in our Constitution, and report to the session this afternoon as is stated in Article 19 of the Constitution. Also, that this committee serve throughout the year, and make a thorough study of our Constitution and report at the next Annual Association."

Hoyle Allred offered an amendment to Jones motion: "That the committee not only study but rewrite the Constitution to include pertinent material from the Committee of Nine's report and duties of all Associational Officers. That the committee report such revision to the General Board not later than its July 1964 meeting and to the Association for adoption at the meeting next fall."

The motion and amendment was adopted.

Committee to study Constitution changes: James B. McQuere, chairman, A. A. Bailey and Walter Long.

The host pastor, A. P. Millen, was recognized and he gave words of welcome to the messengers and instructions as to how the noon meal would be served.

The morning session was climaxed by a message from Miss Bertha Smith, returned missionary from China. Her message was inspiring and gave evidence that she has been used by our Master in a wonderful way.

AFTERNOON SESSION

The afternoon session was presided over by V.-Moderator, James Taylor. After devotional period, James McQuere made a statement in regard to Elvin Jones' motion of the morning, concerning change in Constitution. He stated, "The committee feels that the Constitution stand as it is for the present." Further study will be made during the year.

Hoyle Allred was asked to fill in for James P. Morgan, who was not present for his place on the program. Mr. Allred spoke on the work of North Carolina Baptists. His message was well presented and a real challenge to all present.

James Morgan came in just before the session closed, due to mis-information as to the place of meeting. A motion was made to extend the time five minutes to hear Mr. Morgan. He led in the closing prayer.

WEDNESDAY MORNING SESSION

Following another impressive devotional period, matters of business were taken up.

Hoyle Allred presented the following resolution:

RESOLUTION CONCERNING PARKWOOD MISSION

WHEREAS the Gaston Baptist Association has been called upon to hold in trust the property occupied by the Parkwood Mission, and

WHEREAS the Parkwood Mission by resolution requested the General Board of the Gaston Baptist Association to negotiate a loan of $20,000 to be executed by the Trustees of the Gaston Baptist Association for the benefit of the Parkwood Mission, and

WHEREAS this action approved by the General Board of the Gaston Baptist Association made the Gaston Baptist Association potentially liable for repayment of the loan negotiated, and

WHEREAS such action might be construed as a precedent and set a pattern for church or mission building loans, and

WHEREAS such arrangements might lead to the church or mission losing its autonomy related to securing building loans; now, therefore,

BE IT RESOLVED, that the Gaston Baptist Association go on record as opposing such trust-loan arrangements in the future with any church, churches, mission or missions; and

BE IT FURTHER RESOLVED that the Gaston Baptist Association go on record as recommending that the Parkwood Mission organize into a Baptist Church as soon as practicable and relieve the Gaston Baptist Association of any loan obligation it has assumed in relationship to the Parkwood Mission.

The resolution was adopted.

The Associational Council reported that three men had been examined for the Gospel ministry. Jack Edwards of Macedonia Church, Clarence Morris of Grace Church and Howard Meeks of Salem Church. Two missions were constituted into churches: Chapel Grove and Ridgeview. They were voted to come under watchcare of the Association. New Life Baptist Church was accepted into full fellowship of the Association as a Missionary Baptist Church.

After a morning of good reports and inspiration, the host pastor, Moderator Ernest Mehaffey, spoke words of welcome and gave instructions as to how the noon meal would be served. With a prayer of thanks led by Carl Poston, Chaplain of the Gaston Memorial Hospital, the morning session was closed and another delicious meal was enjoyed by all.

WEDNESDAY AFTERNOON SESSION

The afternoon session was a continuing of reports by those whose names appear in the Printed Program.

The Moderator named the following Nominating Committee for 1964: Riley Huckabee, chairman; C. C. Roberts, A. P. Millen, Harold Long, John Kinnaman, Fred High, L. A. Gable and George Willis.

The report of the Committee on Nominations, which appears in the Associational Directory, was presented by J. A. Richardson.

James McQuere read the report from the Resolutions Committee:

A RESOLUTION

As we come to the close of the forty-fifth annual session of the Gaston Baptist Association, BE IT RESOLVED:

1. We bow with humble hearts and express our gratitude to our Heavenly Father for the blessings He has bestowed upon our Association through forty-five years.

2. We express our sincere appreciation to the Friendship Church, its pastor, A. P. Millen, and the Alexis Church, its pastor, Ernest Mehaffey, who labored so graciously in providing and serving the delicious meals and their Christian kindness shown to us.

3. We express to the Committee on the Order of Business our gratitude for planning a most inspiring and informative program and to each one who had a part on the program, for their inspiring messages, reports and messages in music.

4. We commend our Associational Officers for their faithful service and their untiring efforts in advancing the kingdom of our Lord and our moderator, Ernest Mehaffey, for his loving Christian manner in leading our association.

5. We express our thanks to our Promotional Director, John White, for his faithful labor in the promotion of our work throughout the association.

6. We, the messengers of our churches, return to our fields of labor with a greater determination to carry out the great commission of our Lord and Saviour Jesus Christ.

Respectfully submitted,
Huel May
Mrs. W. A. Wheeless

REPORTS

I. ENROLLMENT

The Enrollment Committee has enrolled 380 Messengers. It was moved and approved that these constitute this Association for the Forty-Sixth Annual Session. 217 Visitors were enrolled bringing the total attendance to 597.

II. INTRODUCTION OF NEW WORKERS

The following Pastors were recognized as recently having come into the fellowship of our Association: Harold Brown, Jack Hunter, Albert Rhyne, Clarence Morris, James Barnes, Wade McKnight, Charlie Farris, Johnnie Davis, Ben Coley, Don Callahan, Mitchel Pruitt, Arson Dixon, J.V. Buchanan, Lanny Elmore, Jerry Lethco, Floyd Beatty, John Carter, Max Pendleton, and Marshall Black.

The following Ministers of Music and Education were also recognized: Charles Huey, Dwight Holden, Adrian Littlejohn, Burtt Potter, Jr., and Daniel Altizer.

III. DIGEST OF THE GENERAL BOARD MEETINGS

February 24, 1964

A recommendation from the Trustees of the Gaston Baptist Association was accepted and approved. In condensed form the recommendation reads as follows:

"Since Parkwood Baptist Mission had become a duly organized church, the Trustees of the Gaston Baptist Association thought it wise to convey all lands, rights, titles, and interests constituted in trust to the Trustees of the Gaston Baptist Association by East Baptist Church to the Trustees of Parkwood Baptist Church."

April 13, 1964

The Finance Committee brought certain facts to our attention concerning the present budget. They are as follows:

1. Last year an electric typewriter was purchased for the office and was to be paid out of 1963's budget. However, the statement was received two months later which made this payable out of 1964's budget, therefore creating a deficit in office expense.

2. For bulletins only $187.08 is left for the remainder of this year which is not sufficient.

3. For a part-time secretary there is only $440.85 left for the remainder of this year.

With these facts stated the following motion was approved:

1. To increase the Budget item "Office Expense" to $350.00 to pay for the electric typewriter.

2. That the item for Bulletins be increased by the amount of $342.86 which was left over from the printing and delivering of the minutes.

3. That the Finance Committee be authorized to use the $274.73 under miscellaneous to supplement the remaining amount for a part-time secretary.

The Missions Committee was urged to be on the look-out for the dispensation of the New Lot Fund which totaled $3,211.13. The motion was made and approved to place this amount in the Building & Loan until it was needed.

July 13, 1964

A report from the Missions Committee was accepted and approved to rent two offices at $70.00 per month which included air conditioning and heating. The offices are located at 625 E. Second Ave., Gastonia.

Another report from the Missions Committee that was approved was to give aid in the amount of $1,000 to Grace Church in the new land area, and to allot the amount of $1,000 to Ridge Church for development.

The Order of Business Committee suggested that our Associational Meetings be held in the afternoon from 2:00-5:30 and in the evening from 7:00-9:00. This was approved unanimously.

The Finance Committee presented the budget for 1964-65 which showed increased amounts in most phases of the work.

It was voted to refer the following statements to the Committee on Committees and to the Constitution Committee for their discretionary action:

1. Associational programs are formulated on a long range basis.
2. Committees are elected like trustees on rotating 3 year terms.
3. After associational organizations are fully elected, advisory committees are elected for each on the same basis - to help plan and supervise.

The Associational Council recommended that all churches constituted since October 1, 1963 be notified to make application for membership in the Gaston Baptist Association and that they be received into full fellowship as provided by the Constitution.

October 12, 1964

The proposed Calendar for 1965 was adopted by the General Board with the provision that any necessary changes be left to the discretion of the committee.

It was voted to have the Simultaneous Revivals from March 21- April 4.

The Missions Committee presented to the Board a request from Midway Church which was to be sent to the State Missions Committee for the purpose of granting them $700 to purchase a lot 75 x 100 adjoining the church for a pastorium. This request was unanimously approved.

IV. MISSIONS COMMITTEE

During 1964 the Gaston Association Missions Committee at regularly scheduled meetings transacted all necessary items of business. Some of the major projects that were considered and approved were:

1. Several surveys were made at various places throughout the Association to determine the need for new work. These are being watched closely to determine when the time is right for associational consideration of a new mission or church.

2. A comparative study was made of the missions activities of several other associations in North Carolina and South Carolina. From this study we feel that the time is right for us to seriously consider Baptist Center work, juvenile delinquent work and a literacy program. We are happy to report that the WMU has established

several literacy centers. One church is beginning week-day activities. There have been several conferences with juvenile court Judge, William J. Allran, concerning some type of juvenile work or maybe a Boys' Town Program.

3. The Missions Committee has worked closely with our missions and smaller churches helping them with problems, programs and securing financial assistance for building and pastoral aid as the need was determined. The Committee has worked closely with the State Missions Committee of the State General Board to be sure that any expenditures of associational or state funds will serve the best interest in Baptist work.

It is the aim and hope of the Missions Committee to continue to work closely with our smaller churches, to increase the effectiveness of the witness of every church and to carry out a missions program of meeting the needs of all special groups within the association.

(See the "General Board Digest" for additional information on the work of the Missions Committee.)

V. ASSOCIATIONAL COUNCIL

On December 9, 1963, the Associational Council met for the purpose of questioning Mr. Jerry Lethco as to his qualifications for ordination to the full-time Gospel Ministry. Mr. Lethco's ordination was requested by First Baptist Church, Gastonia, when he was called to serve their South Gastonia Mission as pastor. After examination of the candidate the council recommended to his home church, Victory Baptist, that he be ordained at their earliest convenience.

The Parkwood Baptist Mission, out of East Church, Gastonia, was organized and constituted into an autonomous body Sunday afternoon, February 2, 1964, under the guiding hand of the Associational Council. 142 members signed the original roll, with the charter being left open for sixty days.

On Sunday afternoon, February 23, 1964, the Midway Baptist Mission, sponsored by Temple Baptist Church, Gastonia, was constituted into a Missionary Baptist Church.

Upon request of First Church, Lowell, the Associational Council met with the members and friends of the Oakland Baptist Mission on Sunday afternoon, April 26, 1964, and constituted the Mission into an autonomous body.

The Council met Monday, August 17, 1964, and questioned Mr. Johnny Enloe, a member of East Church, Gastonia, as to his qualifications for the full-time Gospel Ministry. After examining Mr. Enloe the Council recommended that East Church proceed with his ordination in order that he might assume full pastoral responsibilities at Wilkes Grove Baptist Church, Hickory N.C.

On October 4, 1964, the Council met with members and friends of Trinity Baptist Mission, Bessemer City, N.C., and constituted it into a Missionary Baptist Church. The Council had full cooperation from First Church, Bessemer City, who sponsored the mission.

The Council desires to make the following recommendations:

1. That Chapel Grove Baptist Church and Ridgeview Baptist Church be accepted into full fellowship of the Gaston Baptist Association.

2. That Parkwood Baptist Church, Midway Baptist Church, Oakland Baptist Church and Trinity Baptist Church be received under the watchcare of the Association.

Also during the course of this business transaction it was unanimously approved that the secretary be of the Baptist denomination.

VIII. SOUTH MOUNTAIN BAPTIST CAMP

From 90 churches in region 8 came 1630 boys and girls, counselors, and staff people, to make this another wonderful year at South Mountain Baptist Camp.

The theme this year was "Going Deeper with God" and through fine cooperation and participating in the program under this banner, and the leadership of Rev. T.A. Lineberger, some of the results were; 115 professions of faith in Jesus Christ, 610 were star campers, and 307 were honor campers.

Due to increased interest in longer camping periods, we are planning some 4 day camps next year.

Additional property has been donated by Mr. and Mrs. A.Z. Scronce on which we plan to build a swimming pool, campground, and an additional recreation area.

We urge you to support the camp with your prayers, gifts, and interest. As God leads us forward in promoting the importance of camp life in our church program.

IX. BAPTIST JUBILEE ADVANCE

The Baptist Jubilee Advance, which culminated at the Atlantic City Convention last May, has been a cooperative movement participated in by seven Baptist bodies in the United States and Canada.

In 1956 as a part of the Baptist Advance Program, the Southern Baptist Convention accepted the challenge to organize 10,000 new churches and establish 20,000 missions as a token of their gratitude to God for His goodness across the span of 150 years. This 30,000 Movement has been wonderfully successful. As of January 1, 1964, 5,880 new churches had been organized and 16,016 missions had been established. This means that countless thousands of people have been won to Christ and established in His service. It also means that in the days of declining statistics the 30,000 Movement has provided a new incentive when it was sorely needed.

X. TEMPERANCE AND PUBLIC MORALS

Intemperance and immorality are increasing at a rapid rate in our City, our County, our State and our Nation. No right-thinking, well-informed person would deny this, because the facts are irrefutable.

Three of the principal offenders corrupting the morals of old and young alike are alcohol, narcotics and pornography. How may we deal effectively with the purveyors of these evil things which destroy the moral fiber of our people?

1. We can encourage in every possible way those responsible officials, both City and County, who are striving to eradicate these crime breeders from our midst.

2. We can, through Christian education, bring our people to a full realization of the danger embodied in these instruments of Satanic power.

3. We can and will win any battle of ballots. We must marshal the forces of God and good and vote against legalizing the sale of any intoxicant anywhere in our county.

XI. STATE MISSIONS

North Carolina Baptists are engaged in a Cooperative Program Advance. Emphasis is being put on full participation in the Cooperative Program. Out of every dollar sent to the Baptist Office in Raleigh, 64 cents is kept to be used in Administrative and State Objects. 25.7 cents of the 64 cents is used for Christian Education--a pro rata share being given to each of our seven colleges, with a small amount used for a Council on Christian Education. 12.7 cents is given to social services such as our Children's Homes, the Baptist Hospital, and the Home for the Ageing. 24.3 cents is used for direct State Missions. This work has as its secretary Dr. E.L. Spivey. A tremendous program is being promoted by the Department of State Missions. In this department are included the following: Sunday School, teaching program; Training Union, training program; Summer Assemblies; Preachers' School at Fruitland; Visual Aids; Evangelism; Mission and Church Pastors' Aid; lots for new churches; student work on college campuses; summer work; rural work; Allied Church League; Indian work; interracial work; etc.

May we urge you and your people to give weekly through the Unified Budget System and increase your gifts so that more and better work may be done in our State Missions Program.

XII. HOME MISSIONS

This is home missions' most urgent hour. The entire world looks to America for Christian leadership, but America cannot continue to give what she does not continue to have. To insure future generations against a loss of Christian leadership and Christian leaders, we, of this present generation, must place a greater stress and emphasis upon home missions. More than six and one-half million dollars ($6 1/2) came from Southern Baptists for home missions through the Cooperative Program, the Annie Armstrong Offering, and from other sources of income. This amounted to only sixty-two (62¢) for each Southern Baptist, a nickel per month. The need for improvement in our financial support of home missions is clearly evident.

New Work and the Pioneer Areas received increasing support as the older and stronger states took additional financial responsibility. The Church Extension Program is receiving increased emphasis in preparation for its role as the major vehicle to continue the 30,000 Movement. The 30,000 Movement in its climactic year in 1964, reported by January 1 that 5,884 churches and 16,016 missions had been started.

Fourteen Programs of work were adopted by the Board at its mid-year meeting, becoming effective January 1. They are church extension, associational administration services, pioneer missions, language missions, church loans, chaplaincy, metropolitan missions, urban-rural missions, Jewish work, missions center work, National Baptists, evangelism, survey and special studies, and special mission ministries.

Educating Church Members in Missions is a plan to help show the church how a year-round emphasis can be given to mission education, so the church member will have a conception that will lead to a commitment to missions in both activities and in money.

XIV. ANNUITY BOARD REPORT

As of May 1, 1964, there were 16,251 or 50% of the total churches in the Southern Baptist Convention participating in the Annuity Board's retirement program.

More than $43 1/2 million have been paid in relief and annuity benefits since its beginning in 1918. Last year these benefits were more than $3 1/2 million.

Records from Raleigh reveal the sad fact that only a few more than 50% of the churches in our great association are making it possible for their pastor to have this security in their aging years. The Annuity Secretary for North Carolina is Rev. Guy Cain, 301 Hillsboro St., Raleigh, N.C. He will be most happy to provide any information requested and offer assistance if possible.

XV. RELIGIOUS LITERATURE REPORT

Our doctors tell us that we are what we eat but we need to be reminded that we are also what we read. As Baptists, we have available to us the finest literature to be found in any denomination.

There is absolutely no excuse for an uninformed Baptist. If you have a responsibility in any organization of your church, you can get help, in printed form, to teach you how to do that task. There is a constant flow of materials to keep us up-to-date in all of our work.

Let us take a quick glance at some of the good things available to us through our own publishing house. The Board seeks to accomplish its objective through nineteen major programs, one of which is the Program of Publishing. In the last few years our Board has started a number of new publications of which we can be very proud. Some of them are CHURCH ADMINISTRATION, "The Church Library Magazine," and "Church Recreation." For a number of years, we have had a free publication, "The Braille Baptist," meeting the needs of blind Intermediates through Adults. We have recordings for "The Church Musician" and "The Junior Musician" to help music directors and choir members understand how the music sounds.

Several new things will be available during the coming year: Recordings on Separation of Church and State, World Religious Kits, a new Strip Chart and Flipchart for Adult study, New Member Orientation Materials with textbooks for each age group, and many others.

When we think of the vast amount spent by the Communists for the printed word to capture the minds of men for their evil works, can we afford to do less to help bring all men everywhere to a saving knowledge of, or a closer walk with, our Lord and Saviour Jesus Christ? Let's all read Christian literature.

XVI. BIBLICAL RECORDER

The Baptists of North Carolina are extremely fortunate in the fact that we have a truly outstanding Baptist Journal in this state. The "Biblical Recorder" under the able editor, Mr. Marse Grant, and his capable staff continue to keep us abreast of the trends of our times in religious circles. The "Recorder" is a source of education, information, and inspiration.

Circulation of the "Recorder" as of October 1st is almost 80,000, the highest

in the Journal's history. More and more churches are including the "Recorder" in the budget.

Since the "Recorder" endeavors to cover all significant Baptist news, regardless of where it happens, we feel that this publication should be in every Baptist home in North Carolina. The "Recorder" can be placed in every Baptist home in North Carolina and especially Gaston County if the church subscribes to the Every Family Plan at the cost of $2.00 per family. This is a small price indeed for so much value received.

XVII. BAPTIST HOSPITAL

The trustees and administration of our Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital. In behalf of thousands of our people who cannot pay for the care received at our Medical Center, they express their thanks for the Mother's Day gifts which make this possible.

This is a crucial year in the life of our hospital. For more than a year there has been an average of above 700 sick people on the waiting list for beds.

Another difficult problem is that of meeting the cost of caring for those who cannot pay for the service they need. The people of Winston-Salem area have expressed their confidence in our Medical Center by pledging more than seven million dollars to this enlargement program. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs, will our churches provide the money to take care of those who need these services but cannot pay for them.

The hospital receives a share of our Cooperative Program money, which helps to support the Department of Pastoral Care and provide equipment and facilities required in the work of the hospital. We call upon our pastors and other church leaders to lay upon the hearts of their members the great financial needs. This is a wonderful ministry to which Jesus gave himself without reserve. We who are His followers must not fail those to whom he would minister through us.

XVIII. BAPTIST CHILDREN'S HOMES

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. It is the purpose of the Children's Homes to develop the highest quality of men and women. Careful attention is given to their needs, both present and future.

Children are accepted as they are when they come to the Homes. In the spirit of Christ, they are recognized for their sacred worth and value. They are provided food, clothing and shelter. But of greater importance than material things is the genuine interest, concern and love given every child by the Christian men and women who work with them.

The "Charity and Children" is the official publication of the Baptist Children's Home. It goes to more than 55,000 subscribers each week. This paper can be placed in every Baptist home for only sixty cents per year in bundle form.

XIX. BAPTIST HOMES FOR THE AGING

Our Baptist Homes have just completed their 13th year of operation and are entering into the 14th year with much enthusiasm. Growth has been rapid, the development of facilities amazing, and the need for additional space staggering. We have come from 1 resident and 1 building, since March of 1951, to 160 residents and 4 buildings in 1964. Today there are 170 people waiting for admission. There

are hundreds of inquiries during the year from aging persons who are sick, for whom we cannot care because of lack of bed patient space.

The development of a fifth Baptist Home at Yanceyville, North Carolina, will help to care for thirty additional residents.

Gifts from 3400 Baptist churches through special offerings on the third Sunday of February, designated gifts from church budgets, and the Cooperative Program help to finance the cost of care of 90% of the residents.

There is nothing to prevent our receiving any needy aging person, except lack of space. Let us think seriously and examine our stewardship in this needed area of human concern and care.

XX. TRAINING UNION

In the year of 1963-1964 Training Union in the Gaston Association has shown signs of new life. The "new approach" in the Adult Union was just the spark it needed. Training Union stands on the brink of this new horizon and big plans should be made, also expectations should be big and rewards will be great.

Training Union is a must in the life of every Christian. Jesus called His disciples from the different business of his day and trained them in HIS BUSINESS OF SOUL WINNING. He went away leaving this in their hands and ours. If we are the disciples we claim to be, dare we fail regardless of cost?

"Greater love hath no man than this, that a man lay down his life for a friend." I leave this challenge with you.

XXI. BROTHERHOOD

Throughout the year we have had four new Brotherhoods organized in our churches.

The R.A. work, headed by Strother Metzger, has progressed right along. Eight new R.A. chapters were established and many study courses were held throughout the association.

The Brotherhood officers of the association have been busy during the year visiting twenty-five or more churches, helping train the laity in personal witnessing and visitation and taking part in revivals.

XXII. WOMAN'S MISSIONARY UNION

The Jubilee year of 1964 was one of praise to God for all His benefits. The watchword for the year, "O give thanks unto the Lord; call upon His name: make known His deeds among the people," gave women of the Gaston Association a sense of direction for carrying out this praise.

We "called upon His name" in seasons of prayer, daily devotion, mid-week prayer services, and in simultaneous prayer retreats.

In our attempt to "make known his deeds among the people," we began with a foundation of training. Some 316 women took the seven and one-half leadership courses and over 100 women attended Ridgecrest. We studied books on foreign and home missions and a new aims book "Spiritual Life Development." The "History of Woman's Missionary Union" was also studied.

Through training we have been made aware of the needs of people here in our own association. With over 12,000 non-readers above the age of 25, we felt the need of teaching these people to read. Four Literacy Workshops were conducted. Thirty-six women are now qualified to teach. Four centers are now in operation with 58 students participating.

Many doors have been opened through work with our Negro Baptist women. An

Interracial Meeting held on May 5 was well attended. A Community Vacation Bible School in June was very effective.

Some fifty children at the Orthopaedic Hospital have been ministered to.

We are fortunate to have the opportunity to give through our church-wide offerings: Lottie Moon, Annie Armstrong, and State Missions. Our goal for the coming year is to be an increase of 15%. May each of us seek to enlist more of our people to enter into the joys of love offerings to Jesus.

XXIII. COOPERATIVE PROGRAM

Since 1925 the Cooperative Program has been the channel enabling North Carolina Baptists to support the world ministry committed to them by Christ in the Great Commission.

Your church has a part in the support of over 5,000 missionaries who baptized over 58,000 people last year.

Contributions from the churches through the Cooperative Program for all causes are sent to the Convention office in Raleigh. The gifts are then divided between all missions, Christian Education, and Social Service work of Southern Baptists. Each Baptist hospital, Children's Home, school, Home for the Aging, and each area of general mission work receives a part of the Cooperative Program Dollar.

During the past associational year churches in the Gaston Baptist Association gave a total of $452,433.00 through the Cooperative Program. Fourteen churches, according to available records, did not contribute to the World Program of Jesus.

We recommend that our churches focus attention upon world missions using four Wednesdays in November as "Cooperative Program Emphasis Month." Southwide periodicals, the "Biblical Recorder," and materials provided by the Division of Stewardship supply a rich field for program building in the local church.

We further recommend that every church in the association give prayerful consideration to the increasing of the percentage now being given to missions through the Cooperative Program.

XXIV. PLACE AND PREACHER COMMITTEE

The Place Committee recommends that the Association hold its 1965 annual meeting at the following places:

Thursday, October 21, at the First Baptist Church of Belmont
Friday, October 22, at the Unity Baptist Church of Gastonia

The preacher and alternate preacher will be named by the Program Committee in accordance with the new constitution.

XXV. RESOLUTIONS COMMITTEE

Whereas the Gaston Baptist Association approaches the close of its forty-sixth annual session, BE IT RESOLVED that we express to the host Pastors and Churches, namely, Hoyle Allred, Flint Groves Church, Gastonia, and J.A. Richardson, First Church, Lowell, our sincere gratitude for their generous and cordial hospitality and for the exceptionally fine manner in which they entertained this session of our Association.

BE IT FURTHER RESOLVED that we assure the officers and leaders of our Association of our deep appreciation for the fine work they have done throughout the Associational year, and that we pledge to them our prayers and support as we begin a new Associational year.

BE IT FURTHER RESOLVED that the Gaston Baptist Association in session October 20 and 21, 1964 to go on record as being opposed to the sale of Alchoholic beverages in Gaston County, and that a copy of this resolution be sent to the Gastonia Gazette for publication---and BE IT FURTHER RESOLVED that the Gaston Baptist Association commend the Gaston County Sheriff's Department for its stand in trying to rid our county of pornographic literature.

XXVI. EVANGELISM

The special five-year effort (known as Baptist Jubilee Advance) in evangelism and missions on the part of the Baptists of North America came to a close at the joint meeting of the groups in Atlantic City, New Jersey, in May, 1964. What was done is now history and we cannot go back to improve or to change the record.

The record of our association reveals the following additions to the churches in 1964:

By Baptism 1,264 By Letter 1,452 TOTAL 2,716

The inevitable question arises, where do we go from here? What shall we do in 1965?

There must be the experience of being IN CHRIST and a perennial vigilance in seeking to be used of Him. We should ever keep before us these objectives:

1. To keep all programming and activities aimed at creating a spiritual atmosphere for evangelism in every church.
2. To keep alive a perennial awareness of the urgency of personal witnessing on the part of every Christian.
3. To refine and intensify our revival efforts.
4. To seek to keep the message positive, practical, scriptural and spiritual with unceasing prayer and diligence.
5. To spare nothing in seeing to it that the new and old church members become a part of the outreach.
6. To be in the Simultaneous Revivals March 21-April 4.

XXVII. CHRISTIAN EDUCATION

During the past 25 years North Carolina Baptist Colleges have enjoyed a phenomenal growth. Today in these seven Baptist colleges we have enrolled more than 11,000 students. The total property value of the college exceeds $60,000,000. These colleges have graduated almost 50,000 students. Of special interest to our church people is the fact that enrolled in these seven colleges are 426 young men and women studying to be pastors, missionaries, directors of religious education, and leaders in church music.

Baptists from the beginning have believed that the task of learning is appointed by God and that all knowledge and wisdom has its unity in Christ; and since we do believe that Jesus Christ is Lord of Life, we believe that Baptist churches through their colleges, as members of the covenant community, have an obligation to every area of life and culture. Thus, our fellowship comes through a covenant relationship, the Biblical ties which bind us together, and a sense of working together to achieve a common goal.

The colleges would like to take this opportunity to express through the Association to our Baptist churches a genuine appreciation for the support which is making possible the continued operation of these colleges.

12. Rev. S. Guy Walker, Chairman of Evangelism was recognized to give his report. He read the very fine report that follows and made the motion that same be adopted. He also gave the dates for the Simultaneous Revivals for 1966. The report was adopted.

ASSOCIATIONAL REPORT ON EVANGELISM

The Churches of the North Carolina Baptist State Convention reported 27,344 baptisms in 1963 and 29,729 baptisms in 1964, a gain of 2,379. Churches in the Gaston Association reported 987 baptisms in 1963 and 1,267 baptisms in 1964, a gain of 280. This year in our association, 81 churches reported 1077 baptisms, which represents a loss of 190. Forty-five churches had two revivals during the year, thirty-one reported one revival, four churches had three revivals, and two churches reported no revivals.

The theme adopted by the Southern Baptist Convention for the year 1966 is "Proclamation and Witness." In our association, this theme begins October 1, 1965, with the associational year.

The president of the Southern Baptist Convention, Dr. Wayne D. Dehoney, says: "The major issue facing us is whether the Southern Baptist Convention, as the largest Protestant denomination, is going to accept its roll and launch the greatest evangelistic thrust in history." No well thinking Child of God would agree with Dr. Dehoney about this being the "major issue before us."

The evangelistic thrust needed, now waits not on new methods but on men. Men and women who have been made new in Christ Jesus who are totally surrendered to Christ in mind, body and soul.

Our heart's desire and prayer to God is that the churches of the Gaston Association will be filled with the fire of evangelism, and that we shall ever remember the command of our Lord when He said, "As my Father hath sent me, even so send I you."

The date for Simultaneous Revivals is March 20 - April 3, 1966.

Respectfully submitted,
S. Guy Walker, Chairman of Evangelism

14. The meeting was opened for miscellaneous business from the floor, but there was none at this time.

Respectfully submitted,
Hoyle T. Allred, Chairman, Executive Comm.

17. Rev. Hayne Rivers presented the Associational Training Union Report and made the motion that it be adopted. It was approved.

TRAINING UNION REPORT

This has been a busy year for the T.U. in Gaston Assoc. Your associational officers have been utilized in group meetings, to help teach in local church study courses, and in offering counsel to local T.U. directors. Three executive committee meetings and three quarterly officer's and leader's conferences were held. At the August quarterly meeting held at East Baptist Church, Gastonia, Jimmy Morgan, our state T.U. Secretary challenged the nearly 250 present with a talk on "What's New in Training Union."

"M Night" was held at First Baptist Church, Gastonia with Dr. John Slaughter bringing a challenging message on the T.U. There were 658 in attendance with 65 churches and 47 pastors represented. I was noted that our T.U. enrolment stood at 9,697 at the end of last associational year, an increase of nearly 500 over the previous year.

Our Baptist Youth Night was held in March at Long Creek Church with over 100 young people present representing fifteen churches. The speaker was Rev. Golanka of the Home Mission Board.

The Associational Tournament was held at Temple Church in April. There were 63 Junior Memory Work winners. Miss Frances Craig of First Baptist, Mt. Holly won the Intermediate sword drill. Miss Mary Madeline Falls of First Baptist, Gastonia won the Better Speaker's Tournament in the 17-19 year age group and Miss Martha Stroupe of Ranlo Baptist won in the 20-24 year age group. Mrs. Rachel Little of Alexis Church won the Adult Bible Reader's Tournament. Many of our Associational winners went on to become winners in the Regional T.U. eliminations.

Four simultaneous group study courses on Worship were held in April. Over 250 awards were earned.

At midyear our association had received credit for 2935 total study course awards.

The T.U. Staff thanks each of you for your prayers, assistance and support in carrying on the Associational T.U. work. In behalf of the Executive Committee, we pledge to you our best in leadership on the Associational level.

Respectfully submitted,
Hayne Rivers, Assoc. T.U. Director

18. The Sunday School Report was given by Mr. Forest Roberts who made the motion that it be adopted. It was seconded and carried.

SUNDAY SCHOOL REPORT

The Sunday Schools of our churches have been assigned the tasks of teaching the Bible, reaching the unreached, leading all church members to worship, witness,

learn, and minister daily, furnishing workers for various projects and interpreting the work of the church and denomination - thus helping the church in its basic functions of worship, proclamation, education and ministry.

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal, we must have an enrolment gain of approximately 30% in the next five years. We are challenged to have and enrolment of one million in N.C. by 1970. Outreach must have priority.

We are asking each Sunday School in our Association to accept a net enrolment increase of 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached.

These enrolment gains can be realized by organizing new Sunday Schools, organizing Extension Bible Classes, the starting of new adult classes, the activating of Extension, Cradle Roll and Young People Away departments, and by enroling Vacation Bible School pupils not in Sunday School.

Each Sunday School is urged to observe JANUARY BIBLE STUDY WEEK, to plan a church and mission Vacation Bible School, to promote Operation Home Study and other opportunities for training; to participate in the associational Sunday School projects, and to attend the Sunday School weeks at Caswell and Ridgecrest.

The Sunday Schools in the association reported a total enrolment of 28,878 as compared with 30,607 in 1964.

Respectfully submitted,
Forest C. Roberts, Sr., Assoc. S.S. Supt.

19. Mrs. James Lineberger gave the W.M.U. report with the motion that it be adopted. There was a second and the motion carried.

WOMAN'S MISSIONARY UNION

Psalm 57:9, "I will praise thee, O Lord, among the people, I will sing unto thee among the nations" was our watchword for the year 1964 - 1965.

Woman's Missionary Union, Auxiliary to the Gaston Baptist Association, sought to magnify God through worship in all of our meetings, as well as help promote worship in all of our churches.

Our prayer chairman led the women in two association-wide prayer retreats that were well attended, and were meaningful worship experiences.

Members of the executive board taught the W.M.U. Leadership Courses in four locations in our association. A total attendance was 184 for W.M.S., with 116 cards of accreditation earned; 27 enrolled for Y.W.A.s, 22 receiving cards; G.A. enrolment 116, with 70 cards earned; Sunbeam course had 68 in attendance and 68 cards earned.

Achieving recognition on our Aims for Advancement are: 2 Honor WMS, 4 Honor YWA, 35 Honor GA, 22 Honor Sunbeam Bands. There were 18 Advance WMS, 8 YWA, 16 GA. Then for Approved recognition - 14 WMS, 3 YWA, 21 GA, 16 Sunbeam Bands.

Completely new WMU organizations were started in four of our churches during the year - Anthony Grove, Alexander Memorial, Ozark and Trinity.

Through our Community Missions efforts, women of the Gaston Association have sponsored three Negro Vacation Bible Schools. Twenty five residents of the County Home at Dallas, and fifty children at the Orthopaedic Hospital have been ministered to. There were 46 teachers trained for Literacy work. 135 non-readers have been reached through 11 centers and homes for individual tutoring. The mission center at Windy Hill (Negro Kindergarten) has been painted. Playground equipment for these Negro children is being provided by money sent in by W.M.U. organizations.

In Mission Study this year, in addition to our books on Foreign and Home Missions, we were fortunate to have taught churchwide in many of our churches the book "My Money and God" by Dr. Robert Hastings. Also the book "Go Home and Tell" by Miss Bertha Smith was taught widely on several occasions by the author.

Almost half of the organizations reporting show increases in giving to our special offerings.

There is much to challenge us in a new year ahead of "Proclamation and Witness."

Respectfully submitted,
Mrs. James Lineberger, Assoc. W.M.U. Pres.

20. In the absence of the Associational Brotherhood President, Rev. White made an announcement concerning the postponement of the Brotherhood Workshop until Dec. 2 and 3 at Sandy Plains Baptist Church in order that we may have State workers available.

21. Mr. Parker Snyder was recognized to give his Music Report. Before his report he introduced Mr. Dwight Holden, the Associational Music Director for the coming year who made announcements concerning the Music Festivals for 1966. Mr. Snyder made the motion that the Music Report be adopted, it was seconded and carried.

MUSIC MINISTRY REPORT

During the month of May, 1965, at Temple Church, classes for the directors who had not been able to acquire formal training were led by Brother James Hall, Minister of Music and Education of Ranlo Church and your associational music director.

The attendance at these sessions was not as we had hoped for; however, we were able to have some six different churches represented.

In surveying the reports that have come in to the association, we find some 21 churches have no report concerning their music ministry. We hope that all churches and missions will even yet get this information that is requested into the hands of the associational clerk.

The following is a breakdown of the reports for this year:

	No. of Units	No. Enrolled
Special Groups	12	80
Adults	49	1,115
Young People	15	157
Intermediates	18	349
Juniors	19	430
Primaries	14	257
Beginners	7	117
Totals	134	2,624

In looking at this record there is definitely a need of more work with younger age groups.

Respectfully submitted,
D. Parker Snyder, Assoc. Music Dir.

22. The host pastor, Rev. W.N. Long was recognized. He welcomed the messengers and visitors and explained the facilities and invited all to the evening meal prepared by the host church.

23. The session joined together in another hymn "Serve The Lord with Gladness" after which Rev. M.O. Owens introduced the speaker. Dr. James S. Potter from Pritchard Memorial Baptist Church in Charlotte, N.C.

24. Dr. Potter then brought an inspirational message entitled "The Conquest of Inner Space." He used Paul's letter to Colossians, Chapter 1 as his text. It was a beautiful address in which he pointed out some astounding facts concerning outer space, but pointed out that what we really need is to explore our own inner space and these were also astounding facts. There were four important facets to his message - (1) the shallowness of our lives in the realm of literature, our emotional and spiritual stability, and in our concept of God. (2) the cost of exploring Inner Space involves self examination, self crucifixion and self indentification. (3) the fruits of victory would result in peace, perspective to see life wholly and power. (4) a parable of an acorn who talked of growing up to be an oak tree, or a ship, or crutches for a cripple, or a home for families to live in - when asked how he ever hoped to become such great things he answered "God and I." This, Dr. Potter pointed out, should also be our answer when we are asked how we can make the most of our lives.

25. The meeting was adjourned and the benediction was pronounced by Rev. Guy Longshore.

26. After a delicious meal the evening session was called to order at 7:00 P.M. by our moderator, Rev. Taylor.

27. Mr. Jimmy Long, Minister of Music at Belmont First led the session in singing "Leaning On the Everlasting Arms." Rev. Walter Long, pastor of Belmont First gave a brief devotional using John 21:15-22 as his text. His theme was "Follow Me" which he concluded with a prayer. The Belmont First Choir then presented a beautiful selection - "I Have Decided to Follow Jesus."

28. The Moderator recognized six men who were present at the first Associational Meeting on Nov. 4, 1918.

29. Mrs. Harold Strickland, Mrs. Charles Meares, and Rev. John White brought a report from the churches showing slides of each church, some pastors and mission work. They gave historical facts concerning each church.

30. The hymn "Love Lifted Me" was sung by everyone followed by special music from the Belmont Choir "Rejoice The Lord Is Here."

31. Reverend Yates Campbell presented a digest of the work of the Missions Committee and made the motion that the report be adopted, it was seconded and carried.

45. Mr. Parker Snyder rendered a very effective solo, "He Smiled On Me."

46. The Annual Sermon was preached by Rev. Bill Miller, pastor of New Life Baptist Church, Stanley, N.C. He used Numbers 21:4-9 as his Scripture. The topic of his sermon was "Lift High the Christ." It was a very timely message. Reverend

After prayer, Mr. Max Robinson, their music director led the choir in "Brethren We Have Met Together."

48. The Moderator recognized Mrs. Hoyle Allred, Chairman of the Resolutions Committee who read the following resolution and moved that same be adopted. There was a second and the resolution was adopted by the session.

WHEREAS: This world is threatened by war and nuclear annihilation, and much of what we read in our newspapers seems far removed from the ideals of the Prince of Peace, and

WHEREAS: the church has a distinctive life of its own, and yet in a real sense it touches at every point the life of the world and cannot disassociate itself, even if it would;

NOW, THEREFORE, BE IT RESOLVED that we shall covenant to pray for world leaders in their sincere efforts to meet the explosive and complicated issues of our times, and

BE IT FURTHER RESOLVED that we express deep gratitude, individually and through our churches, to our service men who are serving unselfishly and sacrificially in strategic areas of our world, and assure them of our continued prayer support on their behalf as they seek to provide and preserve the freedom of all people.

49. Mrs. Allred then read the report of the Resolutions Committee with the motion that same be adopted. It was approved by the session.

RESOLUTIONS COMMITTEE REPORT

In St. Mary's Church in Cambridge, England, several hassocks in a pew were embroidered with the words "Think and Thank."

As we Think of these hours we have spent together in this 47th Annual Session of Gaston Baptist Association, we give Thanks unto God. There is heart-warming fellowship here, born of a common concern and a shared purpose to express this concern in practical Christian witness and work.

We are aware that much careful planning and long hours of work were spent by our Promotional Director, Program Committee and Moderator in making these experiences possible for us. To these and all others who have helped us to worship, to pray, to learn, to confess our sins, to renew our commitment to Christ to reach the unreached, beginning on our own doorsteps, we give sincere thanks.

Without the gracious hospitality of the two host churches, First Baptist Church, Belmont, and Unity Baptist Church, Gastonia, these days could not have been as rich and meaningful to us. We are indeed grateful for all the "behind scenes" efforts on our behalf.

As we continue to THINK about the things we have seen and heard, we shall continue to give THANKS.

Respectfully submitted,
Mrs. Hoyle Allred, Chairman, Res. Comm.

50. Miscellaneous Business was called for by the Moderator. Rev. Hoyle Allred referred to page 21, 1964 Minutes, wherein it was noted that Midway and Oakwood Baptist Churches had been taken under the Watchcare of the Association at the last Associational Meeting and that in his earlier recommendation to this session to receive Trinity and Parkwood Churches, he had not brought these two churches. He made the motion that Midway and Oakland Churches be received into full fellowship

of our Association, it was seconded and carried. The Moderator welcomed Rev. Charles Teem, pastor of Midway into the fellowship on behalf of the Association.

Recognition of visitors was made. Dr. Eugene Poston from Gardner Webb College thanked our Association for their support and announced that a drive would be underway shortly in Gaston County with the hope of raising one million dollars for the support of the college. He also said that there are hopes of Gardner Webb becoming a 4 year college in the future if these current drives are successful.

51. The session joined in singing "Blessed Assurance" after which the Unity Choir presented another special number "Amazing Grace."

52. Rev. Taylor then introduced our Missionary speaker, Rev. Troy Bennett, Missionary to Pakistan. He told us facts concerning the current situation in Pakistan - that there are only five missionaries there now and they are restricted to the Capitol.

His Scripture reading was taken from Mark 6:30f and Matt. 9:36. In his message he pointed out that everyone has the sense of "wanting to belong" and this is why they are caught up in World Revolution - people are hungry for food, for better economic conditions and for individual self-respect. They want others to recognize their culture and they want freedom. They are in a Spiritual Revolution, too. They are seeking a real purpose for life. They are as sheep without a shepherd and their basic need is redemption through Jesus Christ. He said Southern Baptists are in a unique place - 10,000,000 strong, with great financial resources, - we must respond NOW or be left out. Christians comprise 30% of World Population, Evangelicals 10%, and Baptists 1%. He called on us to give serious thought to the other 59% and act NOW.

53. The benediction was given by Rev. Troy Bennett and 47th Annual Session of the Gaston Baptist Association was adjourned.

54. Following are the reports of Committees adopted, but not read before the Session.

REPORT ON FOREIGN MISSIONS

At the close of 1964, there were 1,901 missionaries under appointment by the Foreign Mission Board and assigned to 57 countries. During the year missionaries were named to four new countries: Togo, Ivory Coast, Luxembourg, and Yemen.

There are 4,231 churches on mission fields of which 2,617 are selfsupporting. In addition there are 7,482 chapels or mission points. Baptisms totaled 43,403 and the membership of the churches reached 549,921. Students numbering 174,350 were enrolled in 1,110 schools, extending from kindergarten through senior college and theological seminary. Twenty hospitals and forty-nine dispensaries extended ministry to 39,364 inpatients and 395,207 outpatients. Sixteen children's homes provided ministries for 771 children. Eighteen good will centers enrolled 3,560 children and 1,040 adults. Twenty publishing centers produced 4,238,260 periodicals, 899,776 books, and 10,494,391 tracts.

Throughout 1964, preparation was made for launching the Missionary Journeyman Program. It is anticipated that fifty young people will be sent in 1965 in this category.

A new program of advance calling for 5,000 missionaries at the earliest possible date was set before Southern Baptist at the meeting of the Convention in Atlantic City.

Volunteers for missionary service continue to dedicate their lives. Advance in foreign missions depends upon increase in missionary personnel and financial resources. Even with growing financial resources, it is impossible to meet all the urgent needs which are annually recommended by the Missions. While rejoicing in all the advance being made, it is realistic to remember that only the most urgent needs can be supplied and many necessary steps must be required to wait.

Missions advance is projected with confidence that God will call workers into

his harvest, and Southern Baptists will respond with resources to undergird their ministry.

Respectfully submitted,
Rev. Charles H. High

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The day the North Carolina Baptists launched a ministry to the aging fourteen years ago was a good day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven, and the Hayes Home in Hamilton. When the proposed new Home at Yanceyville is completed, there will be capacity for 200. It is anticipated that construction will begin on the Yancyville Home during 1965.

This labor of Christian love and nurture is ours together, and we could not operate without the concern, the prayers, and the financial support of our Baptist people. This financial aid from the churches comes to us through two very vital avenues - the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offering receipts for 1964 were at an all-time high and exceeded $96,000.00. Through these gifts we were able to supplement from 80% to 90% of our needy residents who could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever-increasing needs of the aging in our midst who seek our help. The waiting list is now 175 and grows almost daily.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We have responded to His plea, we are giving an answer to Him for these elderly people who are very dear to Him and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

Respectfully submitted,
Rev. W.F. Woodall

STATE BAPTIST HOSPITAL REPORT

Fifty-nine of our churches in the Gaston Baptist Association gave nearly $7,000.00 on Mother's Day, 1965 for the care of Service Patients through our Baptist Hospital. The Hospital, through Dr. W.K. McGee, expresses its deep appreciation for these gifts.

Our Hospital is one of the avenues of our churches as it seeks to minister to the ill. The healing ministry of our Lord is one of the great aims of each one of us as we support the Hospital by our prayers and gifts.

Financial support for our Hospital and the Bowman Gray School of Medicine comes from many sources--Co-operative Program, Foundations, corporations, businesses, and individuals. Several millions of dollars have been pledged in the continued expansion of the Hospital. New buildings and equipment are necessary to keep the Hospital in the forefront of medical training and treatment.

Your interest in the work of our Hospital will insure its continued service to the sick people of our State and Nation.

"CHRISTIAN LIFE" REPORT

Many changes have taken place in the community life in recent years that have

brought about a turmoil in the religious and social problems in the churches and county.

The changes have been caused by the increase in population, large housing developments, fast growing communities. More and more people living in crowded apartments always develops a different social problem as well as spiritual. This has its effect on the morals of people, and we find that much sin abounds.

What are the churches doing to meet the needs?

The churches are establishing day nurseries, schools for the illiterates and promoting different courses for the people. These methods are being used to bring about a better understanding, a closer fellowship with parents. It makes it easier to get acquainted with the problems that exist.

What is the county doing?

The county is working through the "Gaston Community Action Center." Special efforts and studies are being made to meet the Economic needs in the county. Special training programs, and educational program for adults.

Yet, there is much to be done to meet the needs of the people when crimes are growing faster than births.

Ernest G. Powell

SOUTH MOUNTAIN BAPTIST CAMP REPORT

South Mountain Baptist Camp continues to grow and bless the lives of all that attend its activities.

We had five one-week G.A. Camps with a total of 831 attending, and four one-week R.A. Camps with a total of 417 attending, and also about 800 overnight and week-end campers.

Catawba River Association lead with 353 coming from seventeen churches, and Gaston Association was second with 292 coming from twenty-three churches.

Our theme this year was "Christ the Hope of the World." We had 95 professions of faith and 605 rededications

Even though the camp fees are unusually low for the campers, we have been operating on the money received from them. We receive approximately $3,000.00 over and above our seasonal expenses; this is applied to the salary of our camp director who is employed the year round. We look to the churches for about $1,000.00 of his salary. He is available to help promote camping any where in region eight. Most of the money received from the churches is used for development and improvements, and to pay off our indebtedness. We only owe $2,500.00.

BAPTIST COLLEGES REPORT

Our seven Baptist Colleges, namely Wake Forest, Chowan, Mars Hill, Campbell, Wingate, Meredith, and Gardner-Webb constitute a program of higher education. Today we have enrolled more than 12,000 students. This is about one-eighth of all college students in North Carolina. Pastors, Missionaries, Directors of Music and Education are studying in our Schools, along with other students. They need the best, and they need all that is expected in a college community.

Our Baptist Colleges are faced with the competition of all other colleges in both the quality of their work and the growing cost of operation and expansion. As Baptist leaders and parents we want our colleges to be Christian and to present a positive Christian witness at all times and in all respects, but we must also realize

such matters as cost, scholarships, athletics, will be determining factors.

As Baptists, we must love our colleges to the point of understanding them and their importance in all of our work. As a denomination, our future will depend largely on the type of leadership we educate in our colleges. Your support will make possible the continued operation of these colleges.

Clyde High

REPORT TO THE ASSOCIATION OF THE BIBLICAL RECORDER

With serious moral issues facing us on every hand, Baptists need an accurate and comprehensive source of information. Secular papers cannot meet this need, these papers cover so many things - sports, society, business, obituaries, entertainment, national and foreign affairs, to mention a few. All to often religion is found only on a Saturday church page - if at all.

Where can Baptist get coverage of their significant meetings? The Biblical Recorder, their dependable medium of information for 132 years.

The Recorder serves its readers also by presenting editorials concerning important Legislative matters in our state which arouse the interest of the readers and prompt them to contact their legislators.

The Recorder can be in every home for only 4¢ or 5¢ a week. If your church does not have a Recorder Club, please see that one is organized. Only four people are needed to form a club. Our Baptist people must be enlisted in the fight against evil. The best way this can be done is through the pages of the Biblical Recorder.

AMERICAN BIBLE SOCIETY REPORT

"God's Word for a New Age" is the theme for the 150th anniversary of the American Bible Society to be observed in 1966.

The American Bible Society is an active partner of Southern Baptist. It serves mission work at home and abroad, helps missionaries translate the Bible, publishes without note or comment and distributes without profit, usually below cost. For the blind, it supplies scriptures in braille, talking Bible records, and tape recordings.

The goal for the years just ahead is to increase the total worldwide Scripture distribution to 150 million volumes per year, which is three times the recent global distribution, with half of this goal being undertaken by the American Bible Society. The long range goals are: A Bible in every Christian home; A Testament in every Christian's hand; A Scripture Portion for every reader; Supplies of Scriptures for Christians to share.

Southern Baptists support the work because: the Bible Society serves mission work - and Southern Baptist missionaries depend on the Society for Scriptures they need for their people - Southern Baptists believe in the missionary importance of giving to the American Bible Society

In 1964 Southern Baptist churches gave $190,334 to the American Bible Society and ranked first among all denominations. Gifts from all churches in the U.S.A. totaled $1,186,960. The help of every Southern Baptist church is needed. Southern

Baptists can continue to lead - if every church will give.

Rev. Westle S. Johnson

63. Rev. Hubert Huggins, pastor of Dallas Baptist Church read the report on Obituaries and made motion that same be adopted and placed in the records.

The following ministers are included in this number: Dr. B.A. Bowers, Dr. J.L. Vipperman, Rev. Fred M. Reeves, Rev. P.S. Barber, and Rev. John Stowe.
